Attention: Gladys

Thank you so much for all you have done in helping me to see clearly again. It is such a pleasure to be able to see without using contacts or glasses.

I not only appreciate Dr. Logan and Dr. Wolcott's professional skill, but I am grateful to the office and nursing staff, and Gladys in particular, for putting me at ease and preparing me for the procedure.

Thanks again for the gift of vision.

Sincerely,

  
Marilyn E. Abrams
